

## Short Guide: Accessing Lexicomp

**Step 1: Double left-click on the UnityNet icon or using the following URL**  
<https://unitynet.unity.local/>

**Step 2: Once on the homepage, scroll down until you find “Your Quick Links” on the left side of your screen**

### Step 3: Find “Lexicomp” in the list and left click

The screenshot shows a healthcare dashboard with three main sections:

- Your Quick Links:** A list of links on the left side, including COVID-19 Dashboard, Emergency Codes, Engineering Request, SJHC IV Manual, SJHC Pediatric IV Manual, SMH IV Manual, Lab Specimen Manual (SJHC), Laboratory Test Catalogue (SMH), **Lexicomp** (highlighted with an orange box), Medical Directives, Oncall Petal MD (PHC), Oncall Petal MD (SJHC), Outbreaks, and Paging and On-Call Scheduling (SMH).
- Your Events:** A calendar view for June. The date 5th is highlighted in blue. Below the calendar is a section titled "Events for Today".
- Chatter:** A section for user posts. It includes a "Login to post to Chatter." link, a "Show" filter (All, Unity Health, St. Joseph's, St. Michael's, Providence), and three posts: Salvador Flores (St. Joseph's, 16 hours, 54 minutes ago), Annie Lum (St. Joseph's, 20 hours, 14 minutes ago), and Matthew Penny (St. Michael's, 3 days ago).

### This is the homepage:

The screenshot shows the UpToDate Lexicomp Standard View homepage. The header includes the UpToDate Lexicomp logo, a search bar, and navigation links: Home, Trise's IV Compatibility, Interactions, Drug I.D., Patient Education, Calculators, and More Clinical Tools. The main content area features the PROVIDENCE Healthcare logo, a search bar, and a section titled "UpToDate Lexicomp content is protected by copyright". Below this, there are three columns of content: New FDA Drug Approvals, Special Alerts, and Help and Training Resources. The footer includes a copyright notice and a link to the Terms of Use.
