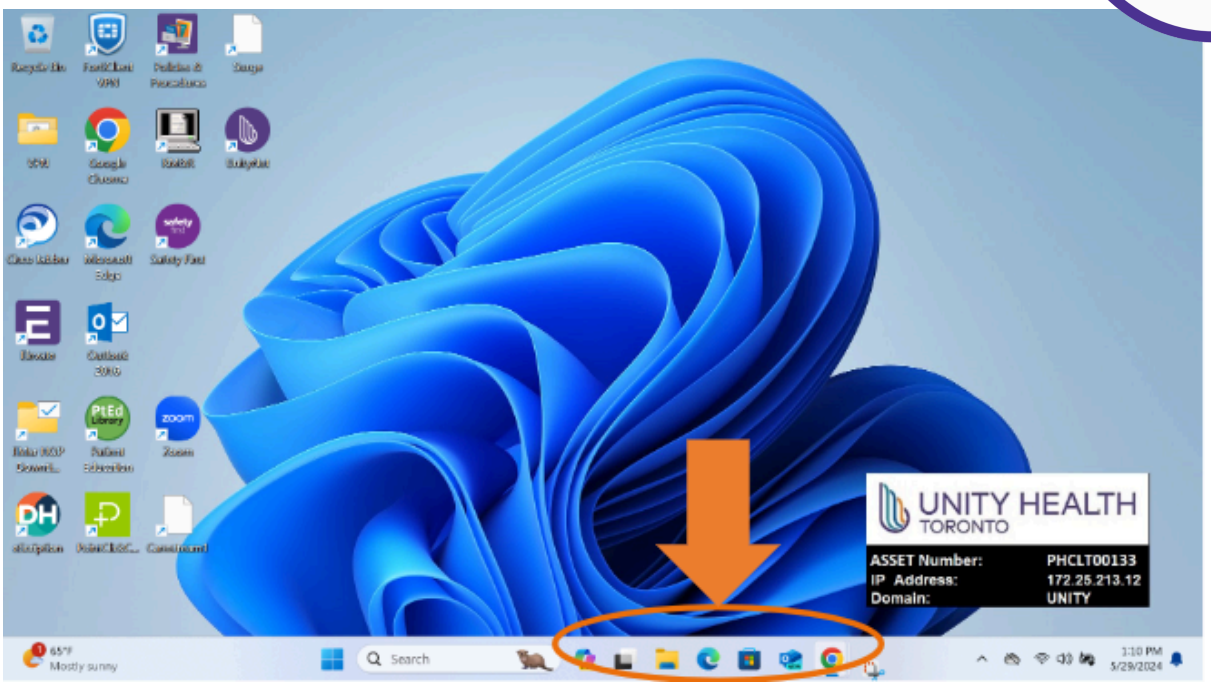
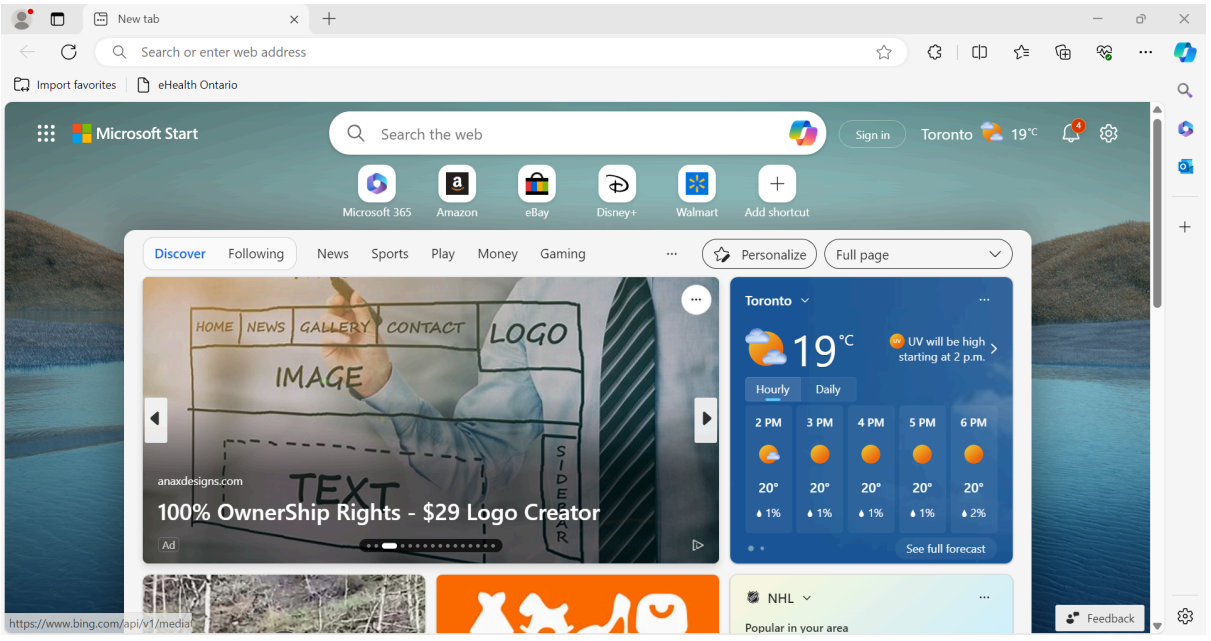
Accessing the Internet

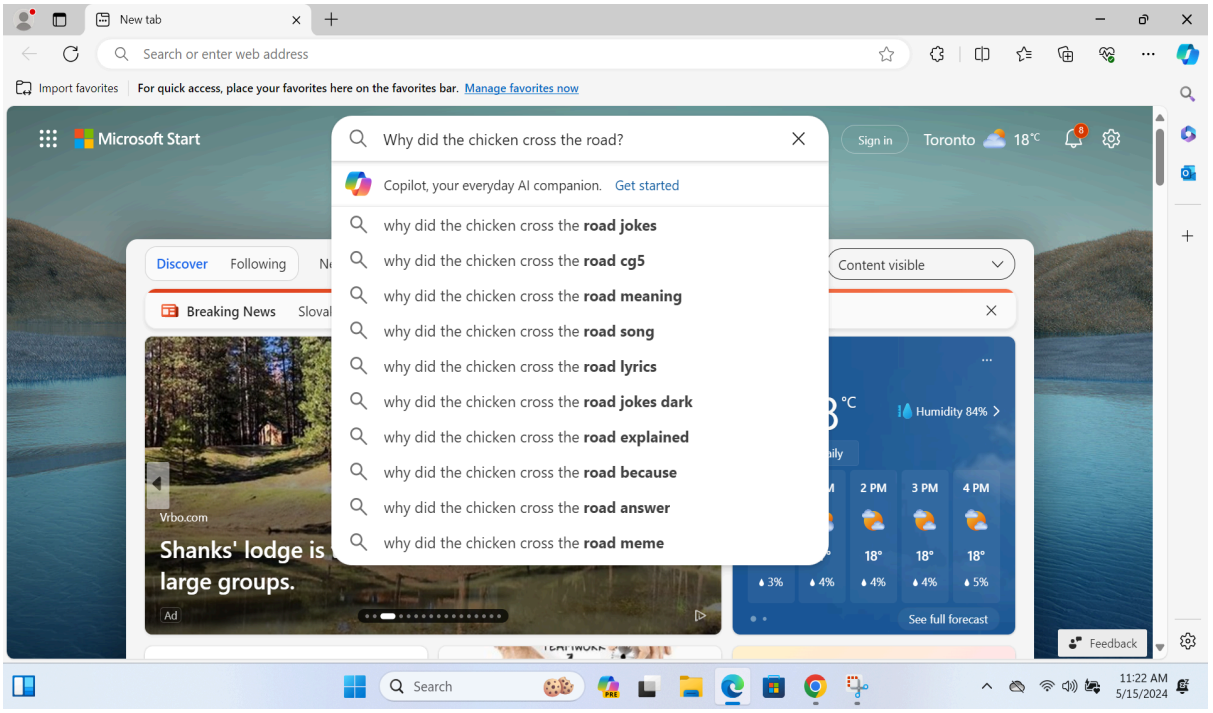
Step 1: From the desktop page, locate the Microsoft Edge icon on the lower panel of the screen.



Step 2: Left click on Microsoft Edge icon and a new webpage will pop up

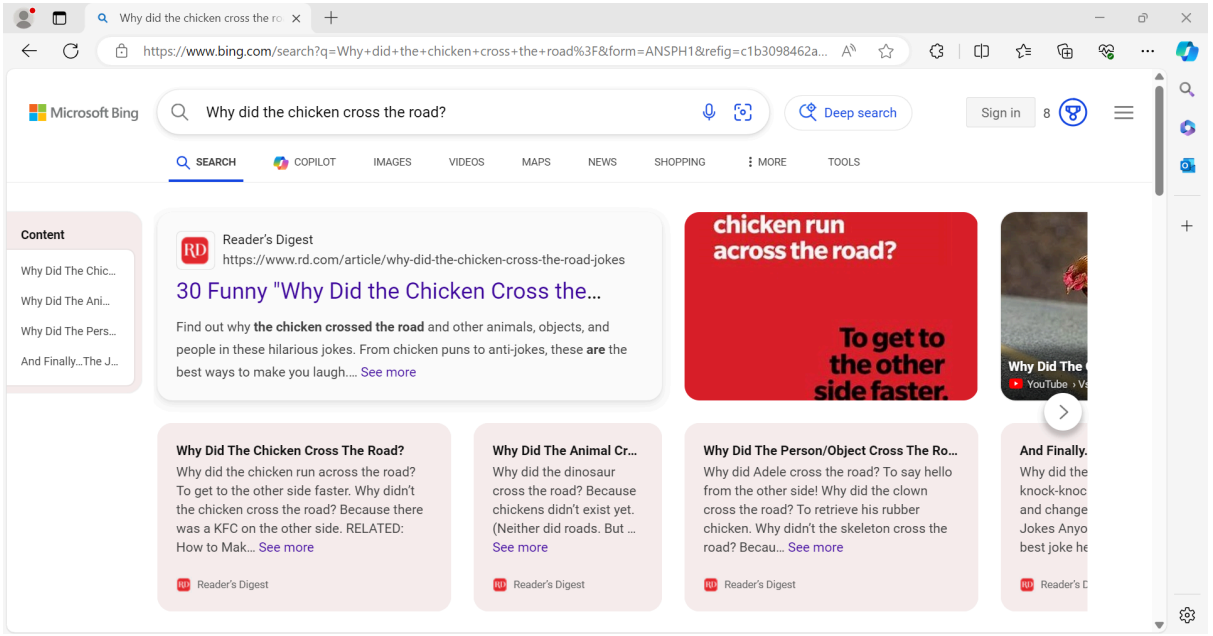


Step 3: Click on “Search the web” at the top centre of webpage and type in what you would like to search on the internet



As you continue to type in your search, a list of suggestions will appear the search bar - You can click on the suggestion if it is accurate to what you are looking for

Step 4: Press enter on the keyboard to proceed in your search. The results of your search will appear



Step 5: Using your mouse and the scroll wheel, you can scroll down and view all of the results to your search. If you would like to read more from that source, click on it.
